APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

The office assumes from this application that the waters applied for are not percolating and therefore come within the jurisdiction of the office of the State Engineer. It is distinctly understood that this permit conveys a right for underground water only and that no right can be acquired by virtue of the same for any surface flow.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Three & 2/10 cubic feet per second. (3.2)

Actual construction work shall begin on or before April 10, 1916.

Proof of commencement of work shall be filed before May 10, 1916.

Work must be prosecuted with reasonable diligence and be completed on or before April 10, 1918.

Application of water to beneficial use shall be made on or before April 10, 1922.

Proof of the application of water to beneficial use must be filed with State Engineer on or before May 10, 1922.

WITNESS MY HAND AND SEAL this 9th day

Cancelled APR 21 1917 because of failure of applicant to comply with provisions of permit.

of December, 1915.

State Engineer.
